

Let op: kleuren kunnen afwijken!

De kleuren van het vinyl in dit bestand kunnen afwijken van de daadwerkelijke vinylkleur. Dit heeft te maken met hoe de kleuren op uw computer zijn ingesteld, maar ook het type beeldscherm heeft invloed op hoe u kleuren ziet.

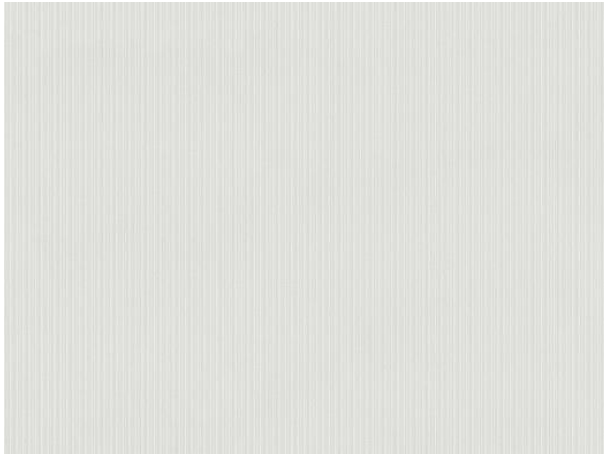

Daarnaast zijn effecten in behang als glans/metallic moeilijk over te brengen op een foto. Wilt u er dus zeker van zijn of het juiste vinyl kleur dan is het verstandig om een keer langs te komen in onze showroom. U bent van harte welkom

- Wanpla Productie B.V.
